Summary

Sexy billionaire Liam Bennett is cocky, dangerously handsome, and more importantly, my new boss. If only my ovaries didn't flutter when he was near—yeah, that'd be super helpful.

When our long hours lead to a dare—and an X-rated encounter—I never expected it to be the hottest sex of my life.

It'd also be super helpful if Liam didn't know it and taunt me about it every chance he got. Unable to deny our attraction any longer, our work relationship brings a whole new meaning to the term *inbox*. But being with him comes with some baggage—like an ex-wife and three kids kind of baggage. And a lawyer who wants half of his company.

Unsure that I'm cut out for this new level of complicated, my traitorous ovaries beg me to try.

Heaven help us all.

The last time I saw my best friend's younger brother, he was a geek wearing braces. But when Cannon shows up to crash in my spare room, I get a swift reality check.

Now twenty-four, he's broad shouldered and masculine, and so sinfully sexy, I want to climb him like the jungle gyms we used to enjoy. At six-foot-something with lean muscles hiding under his T-shirt, a deep sexy voice, and full lips that pull into a smirk when he studies me, he's pure temptation.
