Summary

The Raven Guard are the Sons of Corax, and in the art of shadow warfare they are without equal. Theirs is the way of stealth, subterfuge and misdirection, ensuring their enemies are unaware of the true danger they face until it is far too late. Inside this 64-page codex supplement, you'll find everything you need to unleash the Raven Guard in battle, plus thrilling lore and art to inspire your own collection.

Inside this book, you'll find:

- The history of the Raven Guard and their dark heritage, wretched in shadows and born from the acts of treachery during the Horus Heresy that almost wiped out the Chapter
- A detailed description of Chapter organisation and iconography
- A Raven Guard bestiary with a detailed background for Kayvaan Shrike
- A showcase of stunningly painted Citadel miniatures
- Rules for Kayvaan Shrike, Chapter Master of the Raven Guard
- Stratagems, Warlord Traits, Tactical Objectives, Relics of the Ravenspire, the Umbramancy discipline, defining the ways that the Raven Guard wage war
- And more!

You will need a copy of Codex: Space Marines and the Warhammer 40,000 rulebook to use the rules included in this codex supplement.
