Size: 28.12 MB

Genre: Fantasy

Summary

When Echo Callaway and her friends Hiro and Sati accept a mission to the strange, swampy world of Pelleon, they are expecting an exciting adventure on an exotic, alien planet; not a bad prospect for three ordinary kids from a small Maine town. However, there is a mystery awaiting them that will push each of them to the limits of their abilities, and no guarantee that they'll even make it back home again. Serialized in five parts, "Echo Callaway and the Mists of Pelleon" introduces an unusual trio of adventurers; three middle school students who try to balance an unimaginable opportunity with the wholly equal challenge of living their ordinary lives.
