Genre: Romance

Summary

The story is about a beautiful girl Emma. Noted for her beauty and cleverness, Emma is somewhat wasted in the small village of Highbury but takes a great deal of pride in her matchmaking skills. Unique among other women her age, she has no particular need to marry: she is in the unique situation of not needing a husband to supply her fortune.

Jane Austen was an English novelist whose works of romantic fiction, set among the landed gentry, earned her a place as one of the most widely read writers in English literature, her realism and biting social commentary cementing her historical importance among scholars and critics.

Jane Austen

*Austen lived her entire life as part of a close-knit family located on the lower fringes of the English landed gentry. She was educated primarily by her father and older brothers as well as through her own reading. The steadfast support of her family was critical to her development as a professional writer. Her artistic apprenticeship lasted from her teenage years until she was about 35 years old. During this period, she experimented with various literary forms, including the epistolary novel which she tried then abandoned, and wrote and extensively revised three major novels and began a fourth. From 1811 until 1816, with the release of *Sense and Sensibility* (1811), *Pride and Prejudice* (1813), *Mansfield Park* (1814) and *Emma* (1815), she achieved success as a published writer. She wrote two additional novels, *Northanger Abbey* and *Persuasion*, both published posthumously in 1818, and began a third, which was eventually titled *Sanditon*, but died before completing it.*

*Austen's works critique the novels of sensibility of the second half of the 18th century and are part of the transition to 19th-century realism. Her plots, though fundamentally comic, highlight the dependence of women on marriage to secure social standing and economic security. Her work brought her little personal fame and only a few positive reviews during her lifetime, but the publication in 1869 of her nephew's *A Memoir of Jane Austen* introduced her to a wider public, and by the 1940s she had become widely accepted in academia as a great English writer. The second half of the 20th century saw a proliferation of Austen scholarship and the emergence of a Janeite fan culture.*

About

Others book from Jane Austen

[PRIDE AND PREJUDICE](#)

Adversaries at first in the endless rounds of balls, parties and social gatherings, they soon develop a grudging respect for one another that blossoms into romance when each comes to appreciate the tender feelings that course beneath the veneer of their propriety and reserve...

[PERSUASION](#)

A woman of no importance, she manoeuvres in her restricted circumstances as her long-time love Captain Wentworth did in the wars. Even though she is nearly thirty, well past the sell-by bloom of youth, Austen makes her win out for herself and for others like herself, in a regenerated society...

[PRIDE AND PREJUDICE](#)

"It is a truth universally acknowledged..." that *Pride and Prejudice* is Jane Austen's most widely read and widely loved novel. It is the story of Elizabeth, the sharp-witted and level-headed second daughter of the Bennet family, and her slowly blossoming relationship with the honorable but haughty Mr. Darcy. Taking place among the rural aristocracy of England in the early nineteenth century, Austen creates characters that are so recognizably human and themes that are so universal, ...

[PRIDE AND PREJUDICE](#)

It's one of British literature's most popular novels—but you've never read *Pride and Prejudice* like this before. Whether you're a stressed student looking to do better in British lit or you're an Austen devotee, the most famous romance of pastoral England has never been more accessible. Read the book on your own time and on the go, with accompanying text and video analyses, reviews, quizzes and study guides...

[MANSFIELD PARK](#)

This story is about Fanny Price who is born to a poor family, but is sent to her mother's rich relations to be brought up with her cousins. There she is treated as an inferior by all except her cousin Edmund, whose kindness towards her earns him her steadfast love...

[NORTHANGER ABBEY](#)

Northanger Abbey is a hilarious parody of 18th century gothic novels. The heroine, 17-year old Catherine, has been reading far too many "horrid" gothic novels and would love to encounter some gothic-style terror — but the superficial world of Bath proves hazardous enough...

Summary Emma Book

SENSE AND SENSIBILITY

Sense and Sensibility is a novel by Jane Austen, and was her first published work when it appeared in 1811 under the pseudonym "A Lady". A work of romantic fiction, better known as a comedy of manners, Sense and Sensibility is set in southwest England, London and Kent between 1792 and 1797,[1] and portrays the life and loves of the Dashwood sisters, Elinor and Marianne. The novel follows the young ladies to their new home, a meagre cottage on a distant relative's property, where they experience ...

EMMA

Emma Wodehouse is rich, spoiled, and meddlesome. Jane Austen famously declared that nobody would like her heroine except herself. Yet Emma remains as popular and beloved as Austen's other novels, a meandering but witty comedy that weaves its characters in and out of situations brought on by its heroine's attempts at playing matchmaker. It's satirical with a soft touch — more light-hearted than Austen's other novels — but written with a great deal of love for its characters...

PRIDE AND PREJUDICE

Pride and Prejudice is a novel by Jane Austen, first published in 1813. The story follows the main character Elizabeth Bennet as she deals with issues of manners, upbringing, morality, education, and marriage in the society of the landed gentry of early 19th-century England. Elizabeth is the second of five daughters of a country gentleman living near the fictional town of Meryton in Hertfordshire, near London.

Though the story is set at the turn of the 19th century, it retains a ...

LOVE AND FRIENDSHIP

Love and friendship, Jane Austen. Revised version of <http://ota.ox.ac.uk/id/2106...>

LADY SUSAN

Although the theme, together with the focus on character study and moral issues, is close to Austen's published work (Sense and Sensibility was also originally written in the epistolary form), its outlook is very different, and the heroine has few parallels in 19th-century literature...

PRIDE AND PREJUDICE

The Author

There was nothing of the literary woman in the external affairs of her life and its conduct. Born on 16 December, 1775, at Steventon in Hampshire, of which her father was rector, and dying at Winchester on 18 July, 1817, she passed the intervening years almost entirely in the country. She lived with her family in Bath from 1801 to 1806, and at Southampton from 1806 to 1809. Later, she paid occasional visits to London where she went not a little to the play; but she never ...
