### Summary

**A beastly prince. An enchanting beauty. Only love can break the spell.**

Once upon a time...

The wicked King Thorn forced the enchantress Zuleika to cast a terrible curse. She fled his court to travel the world, helping those who need her magic most. Until a search for her merchant father's lost ships leads her to an enchanted island, where Prince Vardan, the island's ruler, is afflicted by the most powerful curse Zuleika has ever encountered. She's not sure she can reverse the spell, but she's determined to try. After all, a prince who fights pirates can't be all bad...no matter how beastly his appearance.

Together, can the enchanting beauty and the beastly prince break the spell?

## Demelza Carlton

*Demelza Carlton has always loved the ocean, but on her first snorkelling trip she found she was afraid of fish.*

*She has since swum with sea lions, sharks and sea cucumbers and stood on spray-drenched cliffs over a seething sea as a seven-metre cyclonic swell surged in, shattering a shipwreck below.*

*Sensationalist spin? No - Demelza tends to take a camera with her so she can capture and share the moment later; shipwrecks, sharks and all.*

*Demelza now lives in Perth, Western Australia, the shark attack capital of the world.*

*The Ocean's Gift series was her first foray into fiction, followed by the Nightmares trilogy. She swears the Mel Goes to Hell series ambushed her on a crowded train and wouldn't leave her alone.*
