Summary

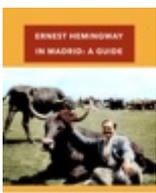

In Hemingway in Key West, we discover Hemingway's favourite places on the island where he produced some of his most celebrated work. Hemingway lived in Key West for many years with his second wife, Pauline Pfeiffer and their children. He famously met his third wife, Martha Gellhorn, in his regular watering hole, Sloppy Joe's Bar. Discover the places Hemingway lived, worked and partied with his 'mob' of friends in his exotic island-home.

[ERNEST HEMINGWAY IN MADRID - A GUIDE](#)

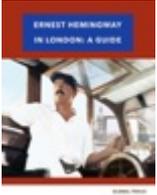

Follow in the footsteps of Ernest Hemingway around his favourite of all cities, Madrid. Hemingway first visited Madrid in the 1920s and became a frequent visitor throughout his life. He made Madrid his headquarters when he served as a foreign correspondent during the Spanish Civil War. Visit the plazas, bars, hotels, restaurants and museums that inspired the novels and short stories of the great writer. Madrid served as the backdrop for such works as "The Sun Also Rises," "For Whom the Bell Tolls..."

[ERNEST HEMINGWAY IN PARIS - A GUIDE](#)

Paris gave Hemingway friendships, literary contacts, a home, inspiration, and some of his most memorable experiences. In turn, Hemingway's writing, and the many biographical circumstances of his remarkable life that unfolded in the French capital, still inform our expectations and experiences of Paris today. The guide incorporates many of the key Parisian locations in which Hemingway lived and visited throughout his life...

[ERNEST HEMINGWAY IN LONDON: A GUIDE](#)

In the literary guidebook, 'Hemingway in London', discover the places that Hemingway visited in London during the 1940s. The famous author was also a dedicated war correspondent, and in London he was briefed by RAF serviceman Roald Dahl, was in a car crash with his lover and soon to be fourth wife, journalist Mary Welsh, and attended parties with celebrated war photographer, Robert Capa. Hemingway stayed at the Dorchester, drank at The Savoy and was taken to St George's Hospital...
