Summary

Aria and her sisters return to the Human Realm of Haven Falls to find one of their own that's gone missing. They soon discover things have changed in the Human Realm and that nothing is what it seems, including Knox, the egotistical, self-centered, frustratingly gorgeous man who declared himself King during their absence.

Sparks fly when the two enter a fiery battle of wills as Aria learns she is more than just a witch in the Hecate bloodline; she is much, much more.

Will Aria embrace her savage side to find her sister and save her family, or will she burn to ashes from his heated kisses and burning hot embrace?

Knox has ulterior motives for being in Haven Falls and never expected the little witch to show up and brazenly challenge his rule.

It was supposed to be easy; get in and get out. Move pieces into place and set the stage for the war he's been planning for over five hundred years. Aria is his sworn enemy but something within her calls to him and he hates himself for craving the fiery kisses that have reignited his cold, dead heart. One taste, and he thought he could get her out of his system. He was wrong.

Will Knox let go of the memories of the past, driving his need for revenge that will destroy the pretty little witch he craves, or will he push the boundaries to fight for and claim what is his by right?

Either way, war is inevitable. And nothing will stop him from reaching for what is his.

18 and over.

[FIGHTING DESTINY](#)

Have you ever heard of the old Celtic legends of the Fae - beautiful, magical, deadly and a love of messing with humans just for kicks and giggles?

Welcome to my world.

What started out as a strange assignment, leads to one of the most gruesome murder mysteries of our times and my friends and I are set and determined to find out who is killing off Fae and Witches alike. Couple of problems in the way - I hate the Fae and the Prince of the Dark Fae is bound and determined that I ...

[PLAYING WITH MONSTERS](#)

My coven has remained hidden in the shadows for centuries.

We've avoided the 'real world' altogether; hiding from monsters and other creatures we share this planet with.

We found protection in the Colville National Forest, nestled in a town protected by magical barriers.

Our powers are locked by an ancient curse, one meant to protect us from being found.

Until now.

The past has a way of repeating itself. A new game is beginning. No one is safe.

He'...

[TAUNTING DESTINY](#)

I thought things were bad and weird before - hold on - it's getting worse.

Adam and I are both going through identity crises of epic proportions as we Transition from who we were, and discover who we were meant to be. More Fae are dying, and I feel as if time is running out for us to find all of those responsible and put an end to the killings.

The people I thought I could trust have betrayed me and the one person I should absolutely not trust; is taking me deeper and...

[ESCAPING DESTINY](#)

I thought things couldn't get worse. I was wrong.

I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift.

This was the mystical being I was hidden from for more than twenty years.

Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything.

Now in the Horde Realm, nothing is going remotely like...

[SEDUCING DESTINY](#)

Less than six months ago my life was twisted and flipped on its side. Things have changed so much I barely recognize myself anymore.

I am no longer an Enforcer.

I am no longer a Witch.

I no longer hate the Fae. (For the most part)

And the sex-on-a-stick-gorgeous-Fae? He isn't really the Dark Prince.

No, he is the father of my children and with the babies on the way, the land dying and the Mages closing in; alliances will have to be formed if...

UNRAVELING DESTINY

I knew Destiny wasn't done with me. I knew that she was just getting warmed up, but I had no clue just how hard my world was going to come crashing down on me.
I had thought that I was going to get my fairytale wedding and marry the man of my dreams.
I was wrong.
Now, faced with having my world torn asunder and Faery exposed, I have to make choices I never thought I'd have to make.
I'm divided between two worlds, and I have to decide just how far I will go to get back ...

SLEEPING WITH MONSTERS

When everything is on the line, how far will you go to protect those you love?

What if the cost of saving them is your soul?

Would you pay it?

I thought I was prepared for what was coming; that if I made sacrifices, I could win this game. I'm no longer afraid of the darkness or the monsters that hide in the shadows. I've become what I feared most, allowing it in to protect those I loved.

Sometimes it takes a monster to win. Sometimes to fight ...

BECOMING HIS MONSTER

Sacrifice your soul?

Check.

Die to protect those you love?

Check.

Come back as something the world hasn't seen since the dawn of mankind?

Check.

Make those who hurt me wish the Gods had never created them?

I'm still working on this one...

Are you ready to play? I'm coming back. I'm more, darker, deadlier, and I'm pissed.

Heaven has fallen, Hell has risen and the walls that once protected man from monsters are down. Foe's become friends, ...

A DEMON'S DARK EMBRACE: THE ELITE GUARDS

From betrayal and pain, can two very different worlds be saved?

A naïve beauty...

Olivia has never questioned the teachings of the Witches Guild, never questioned the Elders; it's the only life she's ever known.

An uncontrollable hunger...

Ristan has spent centuries trying to contain his true nature, restraining his Demon and its voracious hunger for souls.

A situation neither of them were prepared for.

They say the road to Hell is paved with good intentions, ...

CLAIMING THE DRAGON KING

The Horde took everything from him.

He's honor bound to avenge his people and take back his palace by any means necessary.

Blane has kept his people hidden from the Horde since the day they came in and wiped out the dragon race, but they didn't kill them all. Now he's back, and making a move against the Horde. He's going to take back what's rightfully his in a step to wage war against those who took everything from him. The one thing he didn't expect was to find her instead...

A DEMON'S PLAYTHING

Previously Released in Love Potion Anthology

Lilith has spent her life in the ruins of her mother's court that the Horde destroyed. Summoned to her father's court, her entire world is turned upside down. Her father has offered her to the Horde to pay the tithe owed to them, and she'd rather die before bowing to the Horde, but if she intends to keep her secrets, she will kneel to the murderous Horde who destroyed her kingdom, and left it in ruins. Asrian agreed to take one for the...

THE WINTER COURT

Icelyn was given to the Horde to pay a tithe owed to them by her court. She had no plan of letting them claim her or enter her court. One arrow should have ended it, only it didn't stop anything. Instead, she's now prisoner to the broody, cocky, self-absorbed prince that makes her want things she's never thought possible. Will she be able to resist him and save her court from the horrors that the Horde has planned?

Sinjinn had a mission: Get Cailean to the Winter Court to claim ...

OH, HOLY KNIGHT

Erie isn't having a great week. Her time of freedom is up, and the Templar Knight who comes to claim her is an overgrown, broody, alpha a-hole who kisses like sin, and is determined to have her. What's a girl to do other than teach him that she cannot be owned by him or his kind?

Callaghan will stop at nothing to save his race. Bound by the Templar Code, he has stood as protector of humanity; a witness to the countless wars that forged the world. Too much depends on his ability to...

IF SHE'S WICKED

She's a war I cannot win. She's our salvation.

Erie is the one creature that can save my race from dying out. The thing is, we broke her, but we broke the wrong parts. Now, the only thing that girl craves is revenge and a need to destroy with a rage that burns hotter than the fires of Hell. I've loved her longer than she has been alive. She's in my veins, and this is one war I cannot afford to lose against her.

He's a battle I'm willing to fight.

They say nothing...

IMMORTAL HEXES

One vampire.

One witch.

A love that should have survived the ages.

Avery lived by three simple rules. Never be outside after dusk. Never give up fighting to survive. Never give in to the one man who ruled her heart and shattered everything they shared when he walked away from her.

Conner has one mission: to capture the witch who killed his father and make her pay for her crimes. The problem is she's the only woman he's ever loved. The same witch whose innocent kiss made ...

WICKED HEXES

One heavily hexed witch...

One heavily hexed Viking...

A hex that leaves her powerless and in her enemies clutches...

What could go wrong?

How far would you go to save everyone you love? For Laura, she'd do anything to protect those she cares about from becoming collateral damage to the curse her mother placed centuries ago. Even if it means killing the only man she has ever loved again.

How far would you go to save the woman you loved? Braydon ...
