Summary

Captivating Stories of the Ancient Olympians and Titans

Did you know that Zeus loved many women, both goddesses and mortals?

Did you know that he turned himself into golden rain for one damsel who was locked away in a tower, and turned himself into a swan for another beauty?

Did you know that he kidnapped one young princess which led to her brother founding the city of Thebes?

And did you know that, to protect his own power, Zeus swallowed his first wife, just as Cronus had swallowed his own children in a previous age?

Greek myth is full of fascinating tales of Titans and Olympian gods. Some of it makes us wonder if there might be some hint of truth behind those stories, no matter how outrageous they may sound. What parts of those stories were merely symbolic and what parts were literal?

This book contains a brief, but unconventional look at the Titans and Olympian gods of Greek mythology. Brief, because a thorough treatment of these legendary super beings could take thousands of pages. Unconventional, because digging for truth is far more interesting than reciting old stories which have little relevance to us today. Attempting to reveal some semblance of truth brings the stories to life. It gives them relevance to our modern world. Here, we will look at many of the more fascinating stories which kept the Greek mortals entertained for hundreds of years. After all, they didn't have iPhones and computer tablets.

[HISTORY: CAPTIVATING STORIES OF THE MOST POWERFUL EMPIRES THAT MADE THEIR MARK IN THE WORLD](#)

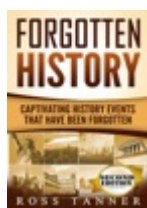

History Holds the Key to Understanding the Present

This book contains stories from each of the empires, some of them fables, some of them religious stories, and others simply history. It also contains information on each one of these empires, discussing the history of each of them, as well as how they have influenced the world that we live in today.

Each chapter begins with a story that has been traced back to each empire, followed by the history of the empire, and ...

[FORGOTTEN HISTORY: CAPTIVATING HISTORY EVENTS THAT HAVE BEEN FORGOTTEN](#)

History Holds the Key to Understanding the Present

Do you want to know when the first peace treaty came into play?

What about the strange disappearances in the 1500s?

Do we really know everything about WWI and WWII?

With history channels focusing predominantly on WWI and WWII, we are losing out on the rich history of the previous eras, not to mention some unknown events within the World Wars. This book holds the key to unlocking a ...
