This is an excellent book full of great material. Troilus and Cressida - "The world's a theatre, the earth a stage which God and Nature do with actors fill". [RESURRECTION](#)

Some of us seem to have let the resurrection drift to a very distant—perhaps for some, a non-existent—place in our preaching. Where this is so, it is entirely out of harmony with biblical gospel proclamation. I urge you to sit down with your Bible and prayerfully, carefully read through the book of Acts. There we find genuine, Holy Spirit-filled preaching of the good news of Jesus Christ. You will observe there the prominence, sometimes even the primacy, of Christ's resurrection. A dying ...

[WHITEFIELD'S LETTER TO WESLEY ON ELECTION](#)

Another quality eBook from Chapel Library. George Whitefield wrote this letter to John Wesley in 1740, in response to Wesley's sermon entitled "Free Grace." Whitefield believed the issue vital to robust Christianity, and hastened to write from Georgia in the American colonies, to his friend across the sea. From the Preface: "Many of my friends, that are strenuous advocates of universal redemption, will immediately be offended. Many that are zealous on the other side will be much rejoiced. They ...

SUFFERING

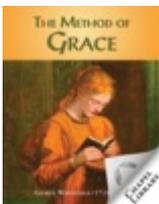

The road of sanctified suffering is the true road to health, wealth, and prosperity. The suffering Christian has the promised help of the Spirit. As the sufferings of Christ abound in us, so the consolations of Christ abound. God uses our afflictions for our good and His glory. Ultimately they will be compensated by the "glory which shall be revealed in us." They are used by God to purify us of sin. God is calling us to glorify Him in the fire, knowing that all His works are right...

THE WORLD'S GREAT SERMONS

Protestant communions especially, in line with the supreme significance which they attach to the work of the pulpit, have thus sought to magnify ...

A sermon on 1Co 1:30, "But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption." From the introduction: "Of all the verses in the book of God, this which I have now read to you is, I believe, one of the most comprehensive: What glad tidings does it bring to believers!
