## Summary

*Rocking all night, rolling in money, now he's picking up the pieces.*

Nick Steel is used to getting what he wants. Fronting a huge, international rock band? No problem. Buying his favorite dive bar? Sure thing. Getting back together with his first love? Hmm...

He broke her heart once before, and Lily Novak is not going to let Nick do it again. One thing has kept them in touch, but she won't let him touch her heart. No way.

A story about coming back home, and realizing you can't always get what you want.
