Summary

This lifestyle themed issue of Magic Touch Wordsearch Puzzles includes 10 puzzles created especially for dog lovers.

Each puzzle has a dog related theme, and as a special bonus 2 Photofind puzzles have been included to challenge even the most avid canine enthusiast.

The Magic Touch Wordsearch Puzzle series of interactive books was created for the tablet reader who enjoys traditional Wordsearch puzzles in print.

The 'Magic Touch' feature provides a natural feel to playing word search puzzles and mimics how you would normally complete the puzzle in a printed book.

Solve the puzzle by swiping your finger across each of the words hidden within the grid. You can undo marks made in error, and clear the grid to play again. Your progress will be saved when exiting the puzzle or app.

Each puzzle is dog themed and contains a related hidden answer.
