The Code of the Extraordinary Mind by Vishen Lakhiani | Summary & Analysis

#### Preview:

The Code of the Extraordinary Mind by Vishen Lakhiani is a self-help book for people who want to shift from an autopilot existence to a way of life that is intentional and extraordinary. As the founder of Mindvalley, a wildly successful educational company that specializes in personal growth, Lakhiani has gleaned years' worth of wisdom from an array of his colleagues, including leaders, CEOs, spiritual teachers, media moguls, and more. As a trained computer engineer, Lakhiani has an affinity for hacking, or the ability to disassemble something to its core function and reassemble it so that it's better than before. Applying this skill to personal development, Lakhiani outlines a hack for life, taking the very best of what he's learned and presenting it in a unique code, a step-by-step process for ditching limiting beliefs, identifying true desires, and following a calling that will make a difference in the world...
