Summary

An instant classic, this revised and updated edition of the phenomenal bestseller dispels the myths about starting your own business. Small business consultant and author Michael E. Gerber, with sharp insight gained from years of experience, points out how common assumptions, expectations, and even technical expertise can get in the way of running a successful business.

Gerber walks you through the steps in the life of a business—from entrepreneurial infancy through adolescent growing pains to the mature entrepreneurial perspective: the guiding light of all businesses that succeed—and shows how to apply the lessons of franchising to any business, whether or not it is a franchise. Most importantly, Gerber draws the vital, often overlooked distinction between working on your business and working in your business.

The E-Myth Revisited will help you grow your business in a productive, assured way.

They are struggling just to keep their businesses running, let alone actually growing their companies and experiencing the success they anticipated.

Conquer the Chaos speaks to you as a small business owner by making sense of the ...

LA EMPRESA E-MYTH

A mediados de la década de los 80, Michael E. Gerber publicó ***El mito revisado***, del cual se han vendido más de 4 millones de copias en todo el mundo y se ha traducido a más de 20 idiomas. En él, se recogía la falsa creencia de que alguien con unas habilidades técnicas determinadas puede crear su propia empresa y tener éxito. Es la condena de las PYMES y de los pequeños emprendedores, ya que solo sobrevive el 10% de las pequeñas y medianas empresas que nacen en todo el ...
